Question 6: Reading Comprehension

READ THE PASSAGE CAREFULLY AND ANSWER THE QUESTION:

Tommy the Cat woke up one sunny morning and saw something shiny in the corner of the room. It was a new toy! Tommy had never seen a toy like this before. It was a colorful ball that squeaked when he tapped it with his paw.

Tommy pounced on the ball and gave it a big swipe. It rolled across the floor and made a fun noise. Tommy chased it around the room, batting it with his paws and jumping high in the air. He even tried to catch it with his paws while it was rolling.

Tommy played with his new toy all day. He rolled it, pounced on it, and even took little naps next to it. By the end of the day, Tommy was very happy and tired. He curled up with his new toy and dreamed about all the fun he had.

Q6. What did Tommy do with the toy?
